Re: *Ex Parte* Notice

In the Matter of Developing a Unified Inter-carrier Compensation Regime, CC Docket
No. 01-92

Dear Ms. Dortch:

On Thursday, January 13, 2005, on behalf of the National Telecommunications Cooperative Association (NTCA), I had a telephone conversation with Jane Jackson, Associate Bureau Chief, Wireline Competition Bureau. We discussed possible timeframes that the Commission may issue rulings and/or further notices of proposed rulemakings in CC Docket No. 01-92. NTCA's positions on issues in these proceedings are described in detail in its previously filed pleadings in this docket.

In accordance with the Commission's rules, an original and two copies of this letter are being filed with the Secretary's Office. If you have any questions, please do not hesitate to contact me at 703-351-2015.

Sincerely,

/s/ Scott Reiter
